

2010-11 Gates: Open Course Library - Institutional Researchers Grant

*** Grant applications must be submitted electronically to the State Board for Community and Technical Colleges (SBCTC) through the Online Grants Management System (OGMS).
<http://apps.sbctc.edu/onlinegrants>

You may not submit your grant application using this form.
See grant Guidelines for details on how to submit. ***

Section 1

Applicant's Department *

1A. I understand the following: *

- Payment of project funds from SBCTC to colleges will be linked to successful completion of course design work that meets project deadlines.
- If I am unable or unwilling to meet the timeline in the Open Course Library project, SBCTC reserves the right to replace me with another qualified (alternate) candidate.
- Grant funds will be paid from SBCTC to the colleges. How the college chooses to work with me regarding compensation or release time is up to the hiring college. SBCTC will NOT be involved in those local discussions.
- The content I produce is collectively owned by the Washington State Community and Technical College System and will be given away to the world under open creative commons licensing.

Narrative Questions

1B. Please provide a brief overview of (a) why you want to be part of the Open Course Library project and (b) why the selection committee should select you. *
(max. characters: 3,000)

1C. Describe your experience using data to drive curricular design. *
(max. characters: 2,000)

1D. Describe your experience with educational assessment. *
(max. characters: 2,000)

1E. Describe your experience with research design. *
(max. characters: 2,000)

1F. Describe your applied knowledge of experimental design. *
(max. characters: 2,000)

1G. Describe your applied knowledge of multi-method (qualitative and quantitative) and statistical techniques. *
(max. characters: 2,000)

A large, empty rectangular text input field with a light gray border. On the right side, there are three small square buttons stacked vertically. On the bottom left and right corners, there are small square buttons with left and right arrow symbols, respectively, indicating a scrollable area.

1H. I agree to the following: *

- Collaborate with SBCTC researchers to report completion rate analysis to project teams.
- Be available as an institutional research resource to faculty designers through the end of the project.
- Liaise with WARP for additional feedback on the research design and analyses.

1I. I have the support of my supervisor to fully participate in this project. *

Additional Comments

1J. Additional comments you would like the selection team to consider?
(max. characters: 2,000)
